Many thanks to all of you for entering.

Well done to John & Pash on a fine victory, It was John's first event, so he goes straight to Expert status!

Allan & Carinna put in a solid performance to get 1st Novice, the section around Friday Street causing them a few problems and dropping two boards.

Unusually, we had 3 beginner crews out, two of them doing well to get to the finish, hopefully we'll see you out again when the second half of the season gets under way in Sept.

Peter & Simon had taken on Glynn's role and managed to pick up a puncture following a wrong slot on the first section. They then called it a night & found a burger van.

Ed & Tony, having not been out for a while, forgot what they had to do and took a while to get their rally heads on. Rejoining at TC6, they had an excellent 2nd half.

William & Glynn were disappointed that I'd changed the start time. They were hoping to get their top down in the early part of the event.

John & Dan missed the LWRNAM triangle at Friday Street and suffered a bit on the long 7th section, dropping them out of the race for 1st novice.

Barry & Louise must get the spirit of the event. 50 odd miles in a Caterham that could best be described as cosy, missed a few controls, but still pressed on to the finish.

Many thanks to the marshals - Steve, Gavin, Graham, Jules & Pete who came out to officiate.

Hopefully, we'll see you all out on the next event.

Mark & Lorraine Feeney.
